

GW UPDATE

SEPTEMBER 2021

We are delighted to announce that we have joined forces with Initiom Ltd – a Hamilton accounting firm that started life in Te Awamutu. Regan Brown and Sarah-Jane Young are the principals of Initiom, and they are pleased to once again have a presence in Te Awamutu.

Over the next year or so, our plan is to hand over the day to day running of our practice to Initiom. Both Regan and Sarah-Jane bring excellent skills, experience and enthusiasm to their roles, and we are sure you will enjoy getting to know them.

We have attached profiles of Regan and Sarah-Jane. You can find out more about Initiom by visiting <https://www.initiom.co.nz/>. We are sure you will enjoy their client-focused, friendly approach to providing accounting services.

Our practice will remain unchanged, apart from the inevitable change of name. We will continue to operate from our Mahoe Street premises. Our excellent team of Denise, Shiree, Linda and Tracey, who have been the backbone of GW Accountants, will continue to look after our clients as before. We expect normal service to continue uninterrupted.

And we will still be around for a while. We have appreciated and enjoyed the relationship with our clients over many years and we hope to continue to see you in the years to come.

We are committed to making the eventual transition as seamless as possible. Please be assured that where work has normally been carried out by either of us personally, we will ensure there is a thorough hand over and of course we won't be far away.

We look forward to the change and the opportunity this presents for our clients and our fantastic team.

We feel very fortunate to have achieved this relationship with Initiom, and highly recommend both Regan and Sarah-Jane to you. We are confident that you will continue to experience the same practical, thorough, professional and friendly service.

Regan and Sarah-Jane will be in our offices regularly from now on and are looking forward to meeting you in due course.

As always, if you have any concerns or queries now or at a later time, please don't hesitate to get in touch.

Kind regards

Graeme and Joanne
